Headteacher: Mrs. K Cooney, BSC (Hons), MA

6th January 2022

Dear Parent/Carer,

Please find on Edulink a copy of your child's January interim report and her results from the mock examinations taken in November 2021.

The interim report provides information on the progress your daughter has been making in class and her overall progress taking into account all assessments that have taken place to date. This information has been used to determine whether your daughter is on track to meet her target grade for her GCSE/BTEC qualifications.

I would like to remind you that the mock examination results are based only on part of the GCSE/BTEC specification covered at the time of the mock examination. These results are **not** predicted or expected grades.

Should the summer 2022 examinations be cancelled, these results will form part of the teacher assessment grades, as discussed with all year 11 students prior to the assessments.

I do hope your daughter is pleased with her results and is on track to achieve her potential. If the outcomes are not as expected, her teachers will continue to support and provide guidance to ensure she is given the best opportunities to make further progression in the forth-coming term and the remainder of the academic year.

There will be a Parents'/Carer evening On Thursday 13th January, where you will be able to discuss subjects in more detail with her subject teachers.

Should you have any queries before then, please do not hesitate to contact Mr Goetschel or myself via the school office.

Yours faithfully,

L Verma
Assistant Headteacher (Curriculum and Assessment)
