Invitation to a Parent/Carer Workshop

Dear Parent/Carer

On Tuesday 5th April, the school is hosting a Parent/Carer study skills workshop delivered by Learning Performance Training at 5:30pm.

Learning Performance is the UK's leading study skills company. Their interactive and motivational workshops show students how to learn, how to revise and how to prepare for exams with creative strategies such as, memory techniques.

Research shows equipping students with such learning strategies can improve progress by an average of 8 months.

The parent/carers workshop will cover various learning strategies to help you support your child at home with revision.

Although this event is primarily for Parents/Carers of year 11 students, you have been identified because your daughter is currently underachieving in a range of subject areas and as such, would like to extend this invitation, so that you can also benefit from this opportunity.

If you wish to attend, please arrive promptly at the main school entrance on Knightlow Road.

There will be a maximum of two places per family. Please click on the link below to provide the names of who will be attending the event.

The workshop will take place in the school hall and will finish at 6:30pm.

For more information about Learning Performance and the work they do with schools, please visit www.learningperformance.com

We look forward to seeing you at the Parent/Carer Workshop on the 5th April.

Yours sincerely,

Mrs L Finucane
