Dear Parent/Carer,

Please find on Edulink a copy of your child's March interim report.

The interim report provides information on the progress your daughter has been making in class and her overall progress taking into account all assessments that have taken place to date.

This information has been used to determine whether your daughter is on track to meet her minimal target grade. In cases where she is not on track, appropriate measures will be put in place to provide suitable interventions.

If we have concerns with the overall progress being made, Miss Briggs, the Achievement Coordinator for year 8 will be contacting you.

Should you have any subject queries, please do not hesitate to contact the Lead Professional or myself via the school office.

Yours faithfully,

L Verma  
Assistant Headteacher (Curriculum and Assessment)
