Year 11 revision programme

Dear parent/carer

Congratulations on reaching this point in the year with your daughter, and well done to them for all their hard work in preparing for their examinations.

We are acutely aware of the amount of missed learning time that year 11 students have experienced over the course of their GCSE. To support your child in the forthcoming weeks we have developed a study programme which will occur between Monday 16th May and Friday 27th May. The programme is tailored to the examination schedule so that students have the opportunity to spend time with subject specialists prior to each examination. During these two weeks students are expected to be in full uniform and to attend for the full day. Students are permitted to wear trainers as examinations are in the sports hall.

The students will have their leavers assembly during the afternoon of Wednesday 25th May.

Attendance at the study sessions on Friday 27th May is optional for students who do not have an afternoon examination. If your daughter does not have an examination and you wish them to remain in school please let us know and we will ensure they remain in school until 3pm.

Providing the students with timely and relevant study sessions prior to their examinations both satisfies the advice to keep study leave to a minimum whilst utilising the remaining time in school for contact with teachers.

Please see attached the study programme. If you have any questions please email the [enquiries@lordswoodtrust.co.uk](mailto:enquiries@lordswoodtrust.co.uk).

**From the week beginning 6th June only:** students are only required to attend school for their examinations. Please complete the google form below to indicate whether you wish for your daughter to **remain in school for the whole day** even when she is not sitting an examination. The expectation will be that if you consent to them being in school they will be in full uniform, attend registration as normal and be here until the end of the school day.

Alternatively, you may provide your consent for your daughter to **remain in school between her morning and afternoon examinations**.
